Showcase '71

Anchor Hocking proudly presents . . .

The broadest line . . . to fill all your glassware needs . . . one supplier . . . one purchase order . . . one invoice.

The best line . . . the movers in styling, packaging, color . . . designed and quality controlled through market research.

The best service . . . greater production capacity . . . computerized scheduling and inventory control . . . most modern warehousing.

Better shipments . . . most modern facilities for rail or truck loading . . . extra savings on pool car system . . . more than 100 central distribution points . . . faster, more complete service for you!

Personal attention . . . large, high-caliber sales force, with smaller territory per man . . . so he's always available, always interested.

Extensive pre-selling . . . excellent consumer acceptance, resulting from proven national advertising.

Integrity . . . Anchor Hocking largest in the tableware field . . . with complete research facilities . . . newest and finest production techniques . . . and a constant goal for improving this quality and service.

All Products Carry the Good Housekeeping Seal of Approval

The background features a woman's arm reaching down towards a collection of diverse glassware products scattered across the lower half of the page. The items include several glasses like a tumbler with a "Wexford ON-THE-ROCKS 10 OUNCE" logo, a pink-tinted glass, and others with blue and yellow designs; two ceramic mugs, one green and one brown; a white plate with a scalloped edge, a solid yellow plate, and another with a floral pattern; and a large circular object with intricate cut-glass patterns. A small circular seal reads "IF PRODUCT OR PERFORMANCE DEFECTIVE Good Housekeeping GUARANTEES REPLACEMENT OR REFUND TO CONSUMER".

How to order

Glassware in your new '71 Anchor Hocking Catalog is available in bulk packs, anchor packs, and cartons. And it's easy to order, with the all new chart-form ordering system, designed to:

- Speed up locating the items you want.
- Show at a glance various packaging for glassware.
- Help you order faster.
- Eliminate the possibility of error.

(See 1971 Gift Catalog for complete listing of Gift Sets.)

Always make certain complete item number appears on your order—prefix letter indicates your color selection, e.g., "T" for avocado, "N" for Honey Gold, "F" for Blue Laser, "Y" for Spicy Brown.

Pictorial code lets you quickly relate the product in the picture to product description on the chart.

These columns indicate various packaging availabilities.

Pictorial code	description	color	item number	BULK PACK		ANCHOR PACK		CARTON	
				dozen/carton	lbs/carton	item number	sets/carton lbs/carton	item number	dozen/carton lbs/carton

New Distribution Center

The new Anchor Hocking Distribution Center in Lancaster is almost a million square feet under roof—23 acres or 18 football fields. It will accommodate 44 trucks and 24 boxcars and hold 120 million pieces of tableware glass items. This all adds up to better, faster service for all your glassware needs.

Freight Savings Through Anchor Hocking Pool Car System

Besides low Anchor Hocking prices, extra savings on shipments can make your net profits even higher when you buy your maximum glassware needs from this one convenient source. Through our efficient pool car network, shipments go from our strategically located plants to more than 100 central distribution points. Substantial savings also apply on prorated stopover car or truck charges. Savings—vary with location, distance and size of order, can quickly mount up to a large amount of dollars. Just one more reason why it pays to concentrate on Anchor Hocking glassware!*

**F.O.B. Lancaster, Ohio.
Prices subject to change without notice.
Prices slightly higher in the West.*
